In support of this Application, Portage Point respectfully states as follows:

PRELIMINARY STATEMENT

1. Portage Point served as financial advisor to the Debtors in these chapter 11 cases. During the Final Period, Portage Point provided a wide range of financial advisory services and assisted the Debtors with stabilizing relationships with customers, vendors, and suppliers to reach a global settlement as well as complying with the various chapter 11 reporting requirements. Portage Point also assisted the Debtors throughout the sale process, monitored the Debtors’ liquidity, estimated the size of the Debtors’ unsecured claims pool, and conducted a liquidation analysis in support of Plan confirmation.

2. Portage Point’s efforts throughout the Final Period to advise and assist the Debtors in all facets of the Chapter 11 Cases were necessary and of substantial benefit to the administration of the Debtors’ estates. The professional services provided and expenses incurred were actual and necessary to preserve the value of the Debtors’ assets for the benefit of all parties in interest. Portage Point’s fees for professional services performed and expenses incurred are reasonable in light of the nature of these cases. Compensation for such services as requested is commensurate with the complexity, importance, and nature of the issues and tasks involved. The professional services were performed expeditiously and efficiently. For these reasons, Portage Point

respectfully requests that the Court grant the Application and allow compensation for professional services performed and reimbursement for expenses as requested.

for the Southern District of Texas (the “U.S. Trustee”) appointed the Official Committee of Unsecured Creditors (the “Committee”). No request for the appointment of a trustee or examiner was made in the Chapter 11 Cases.

7. A detailed description surrounding the facts and circumstances of the Chapter 11 Cases is set forth in the *Declaration of Harold Coulby, Chief Financial Officer and Treasurer of the Debtors, in Support of the Chapter 11 Petitions and First Day Pleadings* [Docket No. 22] (the “First Day Declaration”), filed on September 22, 2022.

8. On October 3, 2022, the Debtors filed an application to retain and employ Portage Point as financial advisor to the Debtors [Docket No. 123]. On October 24, 2022, the Court entered an order [Docket No. 250] (the “Retention Order”), attached hereto as **Exhibit 1**, approving Portage Point’s retention effective as of September 22, 2022. The Retention Order authorizes Portage Point to be compensated on an hourly basis and reimbursed for actual and necessary out-of-pocket expenses pursuant to sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and such orders as the Court may direct.

13. There is no agreement or understanding between Portage Point and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in the Chapter 11 Cases.

14. The fees charged by Portage Point in the Chapter 11 Cases are billed in accordance with Portage Point's existing billing rates and procedures in effect during the Final Period. The rates Portage Point charges for the services rendered by its professionals in the Chapter 11 Cases generally are the same rates Portage Point charges for professional services rendered in comparable bankruptcy and nonbankruptcy related matters. Such fees are reasonable and based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy and non-bankruptcy cases in a competitive national restructuring market.

15. As stated in the Declaration of Ryan Mersch, attached hereto as **Exhibit 2**, Portage Point regularly reviews its invoices to ensure that the Debtors are only billed for actual and necessary services.

ALLOWANCE OF COMPENSATION

38. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a Court may award a professional employed under section 327 of Bankruptcy Code "reasonable compensation for actual, necessary services rendered and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

1. the time spent on such services;
2. the rates charged for such services;
3. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
4. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
5. and whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title. 11 U.S.C. § 330(a)(3).

39. Portage Point submits that the services for which it seeks compensation and the expenditures for which it seeks reimbursement in this Application were necessary for and

beneficial to the preservation and maximization of value for all stakeholders and to the orderly administration of the Debtors' estates. Such services and expenditures were necessary to and in the best interests of Debtors' estates and creditors.

40. During the Final Period, Portage Point billed the Debtors for time expended by professionals based on hourly rates ranging from \$395.00 to \$945.00 per hour. Allowance for compensation in the amount requested would result in a blended hourly rate of \$571.14 (based on 4,948.8 recorded hours for professionals at Portage Point's agreed billing rates in effect at the time of the performance of services).

41. Portage Point submits that the compensation requested herein is reasonable in consideration of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest. Accordingly, approval of the compensation for professional services and reimbursement of expenses sought herein is warranted.

ACTUAL AND NECESSARY DISBURSEMENTS

42. Portage Point disbursed \$38,742.44 as expenses incurred in providing professional services during the Final Period. These expenses are reasonable and necessary, were essential to, among other things, travel to and from Debtors' headquarters in Eden Prairie, Minnesota and were necessary to provide the Debtor assistance with the overall ongoing operation of the business in the Chapter 11 Cases.

RESERVATION OF RIGHTS

43. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Final Period, but were not processed before the preparation of this Application, or Portage Point has for any other reason not sought compensation or reimbursement with respect to such services or expenses, Portage Point reserves the right to request additional compensation for such services, and reimbursement of such expenses, in a supplemental

or future application. Also, Portage Point does not waive, and expressly reserves, its right to respond to any objections regarding this Application and the amounts sought for Portage Point's work in the Chapter 11 Cases.

CONCLUSION

WHEREFORE, Portage Point respectfully requests entry of a final order, substantially in the form attached hereto as **Exhibit F**, (a) allowing final compensation for professional services rendered during the Final Period in the amount of \$2,826,460.00 (which includes fees of \$865,640.00 incurred during the Interim Period), and reimbursement of actual and necessary expenses incurred during the Final Period in the amount of \$38,742.44 (which includes expenses of \$107.16 incurred during the Interim Period), for a total of \$2,865,202.44, (ii) authorizing and directing the Debtors' payment of the difference between the amounts allowed for fees and expenses and the amounts previously paid by the Debtors pursuant to the Interim Compensation Order, (iii) allowing such compensation and payment for professional services rendered and reimbursement of actual and necessary expenses incurred without prejudice to Portage Point's right to seek further compensation and/or payment for the full value of services performed and expenses incurred, and (iv) granting Portage Point such other and further relief as is just.

3. Portage Point is entitled to reimbursement of actual and necessary expenses, including legal fees, related to the Application.

4. Portage Point shall file applications for monthly, interim, and final allowance of compensation and reimbursement of expenses pursuant to the procedures set forth in Bankruptcy Code sections 330 and 331, such Bankruptcy Rules and Bankruptcy Local Rules as may then be applicable, the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013* (the "U.S. Trustee Guidelines"), and any applicable orders and procedures of

this Court. For billing purposes, Portage Point shall keep its time in one tenth (1/10) hour increments in accordance with the US Trustee Guidelines. Portage Point also intends to make a reasonable effort to comply with the Office of the United States Trustee for the Southern District of Texas's (the "U.S. Trustee's") requests for information and additional disclosures both in connection with the Application and the interim and final fee applications to be filed by Portage Point in these Chapter 11 Cases

5. The indemnification provisions set forth in the Engagement Letter are subject, during the pendency of the Debtors' Chapter 11 Cases, to the following:

- a. subject to the provisions of subparagraphs (b) and (c), *infra*, the Debtors are authorized to indemnify, and shall indemnify, Portage Point in accordance with the Engagement Letter for any claim arising from related to or in connection with the services provided for, whether pre-petition or post-petition, in the Engagement Letter;
- b. the Debtors shall have no obligation to indemnify Portage Point for any claim or expense that is either (i) judicially determined (the determination having become final) to have resulted primarily from Portage Point's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud unless the Court determines that indemnification would be permissible under applicable law or (ii) settled prior to a judicial determination as to Portage Point's gross negligence, willful misconduct, breach of fiduciary duty (if any), bad faith, or fraud, but determined by the Court, after notice and a hearing pursuant to subparagraph (c), *infra*, to be a claim or expense for which Portage Point should not receive indemnification, contribution, or reimbursement under the terms of the Engagement Letter; and
- c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing these Chapter 11 Cases, Portage Point believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, or reimbursement obligations under the Engagement Letter, including without limitation the advancement of defense costs, Portage Point must file an application therefore in this Court, and the Debtors may not pay any such amounts to Portage Point before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time during which the Court shall have jurisdiction over any request for indemnification, contribution or reimbursement by Portage Point and not a provision limiting the duration of the Debtors' obligation to indemnify Portage Point.

6. Portage Point is authorized without further order of the Court to apply amounts from Portage Point's prepetition retainer as are necessary and appropriate to compensate and reimburse Portage Point for any outstanding fees or expenses incurred on or prior to the Petition Date, consistent with Portage Point's ordinary course billing practices. Portage Point shall apply any remaining amounts of its prepetition retainer at the time of its final fee application in satisfaction of compensation and reimbursement, after such fees and expenses are approved pursuant to the order of the Court awarding final fees and expenses to Portage Point and promptly pay to the Debtors' estates any retainer remaining after such application.

7. Portage Point shall provide ten (10) business days' notice to the Debtors, the U.S. Trustee, and any official committee appointed in these Chapter 11 Cases before any increases in the hourly rates set forth in the Application or the Engagement Letter are implemented. The U.S. Trustee retains all rights to object to any rate increase on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code.

8. To the extent the Debtors wish to expand the scope of Portage Point's services beyond those services set forth in the Engagement Letter or this Order, the Debtors shall seek further approval from this Court.

9. In the event of any inconsistency between the terms of the Engagement Letter, the Application, the Mersch Declaration, and this Order, the terms of this Order shall govern.

10. The Debtors and Portage Point are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Application.

11. Notice of the Application as provided therein is deemed to be good and sufficient notice of such Application, and the requirements of the Bankruptcy Rules and Bankruptcy Local Rules are satisfied by the contents of the Application.

12. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

13. The Court retains jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
